

LOOKING IN THE MIRROR

The mirror showed a tall, tanned pretty girl with light brown hair and pretty green eyes like the green grass. But that was only the external view. Underneath she was a very pretty, cute model who could rock every style but her sparkling green eyes stood out. She was a famous model with tanned legs. She wore a pretty dress that had a gold belt. Her dress was the prettiest dress that flowed in the wind, She had really pretty high heels with spikes and they were black. She was in the Top Model contest and she won **it so now she is in magazines.**
