

My Mum

My mother is the best mother in the whole wide world! When I am very sad she always cheers me up. My mum is as pretty as a fairy.

She sometimes leaves her hair out but when it is hot she ties it up.

She is as clever as a calculator, is always helpful and we clean up the house. My mum always says, "Hurry up," when I work slowly. She even says, "Do the vacuuming, this house looks as messy as a rubbish bin with all the dirty rubbish!" and let's me do all the vacuuming. I always feel like she wants me, when she takes me to all different kinds of places.

My mum always wears a Nike T-shirt. The colour of her hair is red, brown and black with short straight hair. Her eyes are dark hazelnut-brown.

She is kind to me that's why she is very special to me.
